Hosted by RCDMC and Salinas River Management Unit Association
Salinas Rodeo Room, 4-7pm, Friday April 12, 2019

SPONSORSHIP FORM

Become a sponsor for our partnership barbecue to benefit conservation on the Salinas River! The Resource Conservation District of Monterey County and the Salinas River Channel Stream Management Program's River Management Unit Association are partners committed to maintaining the river that brings life to the Salinas Valley. Together we conduct multiple-benefit conservation work on the Salinas River that protects our local communities, agriculture, and the environment. Funds and awareness raised at this event will help support organizational costs for this work so that they are not solely borne by those participating, but by the community, for the community. This partnership event will include Benny Jefferson's renowned BBQ crew, local wines, cheeses, fruits and veggies, a brief & entertaining celebration of river stewardship, and a silent and live auction. Your support of this event through a sponsorship or donation will benefit our conservation work on the Salinas River tremendously.
