

# SALINAS RIVER PARTNERS BENEFIT BBQ

FRIDAY, APRIL 12, 2019, 4:00 - 7:00PM

SALINAS ROPEO ROOM, SALINAS SPORTS COMPLEX

Join the Resource Conservation District of Monterey County and the Salinas River Channel Stream Management Program’s River Management Unit Association as we celebrate and promote the renowned land and water stewardship work along the river that brings life to the Salinas Valley! We’ll toast today’s conservation stars and our stewards of the future as we dine on barbecued tri-tip, fixings from local producers and locally-produced cheeses and wines. Proceeds from silent and short live auctions will fund further multiple-benefit conservation work on the Salinas River and protect our local communities, agriculture, and the environment. As you dine, enjoy an entertaining presentation from the lands of the ‘Upside Down’ River. We look forward to seeing you there!
